OPPOSED W-02199A-11-0329 - SW-02199A-11-0330 WATER/SEWER

"Decision No. 73573 ... provided that Pima could seek an allowance for income taxes generated as a result of its operations," according to the Corporation Commission's recent announcement.

"Allowance" is a euphemism "Make the customers pay the income taxes on my profits." That is a disgrace.

Shame on you if you allow Pima to impose a rate increase so that the shareholders "the people who made a profit" don't have to pay taxes on those profits.

Let them pay their own taxes! I can't afford to pay theirs. It's hard enough to pay my own, without digging into my pocket to make sure Pima shareholders get special treatment.
